

# Goodbye, Mr. Personality

Less Than Jake

So here's my history  
Stacks of scraps torn out from magazines  
Yeah  
And it's hazardous to be  
Any part of my anatomy  
Yeah

Do you hear me?  
So loud and clearly  
This is the last time  
You'll ever hear from me  
Repeat these words now  
Who died and made you king?  
Goodbye Mr. Personality

Before there was a we  
There was an I, myself, and a me  
Yeah  
When I opened up my eyes  
I watched all my problems divide and multiply  
Yeah

Do you hear me?  
So loud and clearly  
This is the last time  
You'll ever hear from me  
Repeat these words now  
Who died and made you king?  
Goodbye Mr. Personality

My chemistry combined  
Always helps me to describe  
The person who's tucked deep inside  
The voices in my head  
Keep me walking on the edge  
Tell me this is the end

Do you hear me?  
So loud and clearly  
This is the last time  
You'll ever hear from me  
Repeat these words now  
Who died and made you king?  
Goodbye Mr. Personality

Do you hear me?  
So loud and clearly  
This is the last time  
Anyone will ever see me  
Repeat these words now  
Who died and made you king?  
Goodbye Mr. Personality
