Monkey Wrench Myself

Less Than Jake

Is it really the time that I should change my life?
Can I get away with another day, walking out of stride?
Is it really the time that I should change my life?
I'll never get ahead, falling back instead, on a steep decline
Did I cross the line?

This is the only way I'll make it
Gonna hold my breath and face it
Gonna do what you told me not to
Gonna get myself through

This is the only way I'll make it
Gonna hold my breath and face it
Gonna do what you told me not to
Gonna get myself through

Do you remember the time I let things come undone?
Gonna face the truth, I got no excuse for being overrun
Do you remember the time I let things come undone?
I can't pass the blame, when it's all the same and I'm the only one
Am I the only one?

This is the only way I'll make it
Gonna hold my breath and face it
Gonna do what you told me not to
Gonna get myself through

This is the only way I'll make it
Gonna hold my breath and face it
Gonna do what you told me not to
Gonna get myself through
I'm gonna get my self through (Hey!)

I can't help it
I can't stop it
Same things we all go through
No matter the damage they might do

This is the only way I'll make it
Gonna hold my breath and face it
Gonna do what you told me not to
Gonna hold my breath
And face it
