

## The Test

Less Than Jake

Toss the anchor, ditch the oars  
I know what's worth fighting for  
Clip the wings, break the ties  
That bind me to this cheap disguise  
Day in, day out  
Maybe we get stronger in the end

Dig way down deep inside  
And swallow all your pride  
'Cause you know how it's done  
But, it takes a lot of work, a lot of drive  
Tell me when you see a version of me  
The person you want me to be

Falling forward, crashing down  
Facing backwards, turn around  
Close the door on emptiness  
And skip the scene of discontent  
Day in, day out  
Maybe we get stronger in the end

Dig way down deep inside  
And swallow all your pride  
'Cause you know how it's done  
But, it takes a lot of work, a lot of drive  
Tell me when you see a version of me  
That you want me to be

It's better that you have a plan  
When you're worse off than you understand

Day in, day out  
I know we get stronger in the end

Dig way down deep inside  
And swallow all your pride  
'Cause you know how it's done  
But, it takes a lot of work, a lot of drive  
Tell me when you see a version of me  
The person you want me to be

Dig way down deep inside  
And swallow all your pride  
'Cause you know how it's done  
It takes a lot of work, a lot of drive  
Tell me when you see a version of me  
You want me to be
