

## Bad Childhood

Letdown.

My momma left home and drove away  
I knew she's not coming back  
And I got kicked out of school that day  
I don't think anyone cared

I hate it I do  
Only problem is you  
Singing like  
La da da da da da da da  
That's just my bad childhood  
I hate it I do  
If somebody loses it's you  
Singing like  
La da da da da da da da  
That's just my bad childhood

I hold grudges forever now  
Google knows where you live  
I'll run my car through your fuckin house  
I Won't feel bad a bit

I hate it I do  
Only problem is you  
Singing like  
La da da da da da da da  
That's just my bad childhood  
I hate it I do  
If somebody loses it's you  
Singing like  
La da da da da da da da  
That's just my bad childhood

I'll throw my pictures away  
And I'm not laughing  
I'm thinkin finally today  
I'll Light a match and

Burn down my house  
Who's laughin now  
Singing like  
La da da da da da da da  
That's just one bad childhood  
I hate it I do  
If somebody loses it's you  
Singing like  
La da da da da da da da  
That's just my bad childhood
