

Freak

Letdown.

Say what you want to me, got no apologies
Maybe I'm a freak in the crowd
Take what you want from me, give no apologies
Saying what I'm thinking out loud

I'd die to be crashing a shipwreck in your sea

But I'm a freak
Always gonna be a good for nothing freak
Tell me, would you like to learn to love a freak?
I don't really care what you think of me
I know I'm just a perfect freak

Know I'm just a perfect freak
Know I'm just a perfect freak

Hear what you wanna hear, truth might be what you fear
Going deaf and freaking you out
Leave if you wanna leave, leave me in ecstasy
I'm high don't go bringing me down

I'd die to be crashing a shipwreck in your sea

But I'm a freak
Always gonna be a good for nothing freak
Tell me, would you like to learn to love a freak?
I don't really care what you think of me
I know I'm just a perfect freak

Know I'm just a perfect freak
Know I'm just a perfect freak

Loser, a sucker, oh mother, I can't stay here
Fighting these words in my head, you're just a freak
Lover, a fighter, but I can't fight no longer
Maybe it's time to accept

That I'm a freak
A good-for-nothing freak
I love to be a freak
I don't really care what you think of me
I know I'm just a perfect freak

Always gonna be a good-for-nothing freak
Tell me, would you like to learn to love a freak?
I don't really care what you think of me
I know I'm just a perfect freak
Always gonna be a good-for-nothing freak
Tell me, would you like to learn to love a freak?
I don't really care what you think of me
I know I'm just a perfect freak
