

Head Check

Letdown.

Head check 1 2 3
You're dead to me
I can't keep lying to myself
Like all the times you made me bleed
I can't keep fighting with myself

All alone
Where you at

You're on a roll
Not looking back
With that murdered out dress
Tryna kill a man
And I know you always wanna runaway
You know I always try to make you stay
Take another shot
In my basement
I'm sick of drowning myself
Till I faceplant

Why you let me give me everything I had left
I'm sleeping with the ghost of you again
I'm screaming like a bullet through my
