

# Ugly

Letdown.

I don't like the way I look in photographs  
I don't know the stranger looking back  
Every better moment I'm sad  
I know I know I know

I'm feeling high and low  
I'm feeling high and low  
Falling off the edge of my youth  
I'm feeling high and low  
I'm feeling high and low  
Running out of what I should do

I'm feeling ugly ugly  
I'm feeling ugly ugly  
I can't escape the ugly  
I wanna change the ugly

I don't like the way I look in photographs  
I don't know the stranger looking back  
Every better moment I'm sad  
I know I know I know

I'm feeling high and low  
I'm feeling high and low  
Falling off the edge of my youth  
I'm feeling high and low  
I'm feeling high and low  
Running out of what I should do

Deny the love or take this dance  
Or win the night a loose my chance  
Tonight the air will move my head  
To kill the hurt that's in my bed

I'm feeling ugly ugly  
I'm feeling ugly ugly  
I can't escape the ugly  
I wanna change the ugly  
It's getting ugly ugly  
It's getting ugly ugly  
I can't escape the ugly  
I'm feeling strange and ugly

I don't like the way I look in photographs  
I don't know the stranger looking back  
Every better moment I'm sad  
I know I know I know

I'm feeling high and low  
I'm feeling high and low  
Falling off the edge of my youth  
I'm feeling high and low  
I'm feeling high and low  
Running out of what I should do

Bathe me, dress me up in kerosene  
Break me take away my agony

Hate me I don't wanna feel a thing

I don't wanna feel a thing

I don't wanna feel a thing

I don't like the way I look in photographs

I don't like the monster looking back
