That you can't defeat
I'm elite,
Size ten Nike airs on my feet
I'm a beast from the east
You on my level can't compete
I'm a legend on the street
I can systically merk the beat
And hurt your feet?
Go hard for the road use and the keys
My car game is over neat, over peak
Bat mobiles yeah am the chief
Yeah,
I'm on a get thoughhugh
Don't phone me if it's not about dough
I don't spend to much so that you macro
She said, he said, I don't wanna know.

Uh, now I'm back in the door
More cash, more stacks,
Stackin it more
More chicks, more quits, I'm havin a ball
More dumbs, swa-la, boo doom.

I gotta go hard hard me I gotta go hard hard,
I gotta go hard hard me I gotta go hard hard,
I gotta go hard hard me I gotta go hard hard,
I gotta go hard hard me I gotta go
Throw ma money bizzle...
Hard hard me I gotta go hard hard,
I gotta go hard hard me I gotta go hard hard,
I gotta go hard hard me I gotta go hard hard,
I gotta go hard hard me I gotta go
Throw ma money bizzle...
