Look What You Done

Lethal Bizzle

Look what you've done (to me)
Used to feel so (happy)
Now I feel so (ugly)
Thought this was meant (to be)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)

I like pretty things
I like spinning rings
I like big chains, fast cars and diamond rings
Only problem is I treat my girls like anything
I treat them like they're air, I don't really care
Treat them like they're dirt, don't care if they get hurt
Don't put in no work, they call me Mr. Jerk
I say that's true and they look at me all sad
They say things like I'm gonna be a bad dad

Look what you've done (to me)
Used to feel so (happy)
Now I feel so (ugly)
Thought this was meant (to be)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)

Look what you've done (to me)
Used to feel so (happy)
Now I feel so (ugly)
Thought this was meant (to be)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)

I don't know why, that's just the way it is
I'm at my... babe, I thought I had no bizz
I'll meet someone one day I wonder who it is
As long as she's chilled and ready to have kids
But up until then, it's me...
I love these girls but they don't understand
I know that I'm a man but I'm not ready to be your man
You can stay at my... and I'll do what I can

Look what you've done (to me)
Used to feel so (happy)
Now I feel so (ugly)
Thought this was meant (to be)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)

Look what you've done (to me)
Used to feel so (happy)

Now I feel so (ugly)
Thought this was meant (to be)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)

What did I do to you?
I can't get through to you
What am I supposed to do?
Babe, this is nothing new
Told you from the start
Don't wanna play with your heart
Didn't wanna listen to me
Now you're crying on the telephone
Look, I'll leave you alone
Erase your number on my phone
I told you I just wanna moan
Look, babe, all I wanna do is just...
All I wanna do is just...

Look what you've done (to me)
Used to feel so (happy)
Now I feel so (ugly)
Thought this was meant (to be)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)

Look what you've done (to me)
Used to feel so (happy)
Now I feel so (ugly)
Thought this was meant (to be)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)

Look what you've done (to me)
Used to feel so (happy)
Now I feel so (ugly)
Thought this was meant (to be)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)

Look what you've done (to me)
Used to feel so (happy)
Now I feel so (ugly)
Thought this was meant (to be)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)
Look what you've done (to me)
