Million Pound Dream

Lethal Bizzle

Yo, yo, look
Do you wanna be rich
Do you wanna be poor
End of the day all of us end up in the floor
Can't take none of this shit here with you so more life til they close that door
Do you like to shine
Do you like to grind
Do you like the things in life that are fine
You can be a first class you can be economy
Or arrive at the place at the same time
Yeah, don't go broke trying to look rich fam act your wage
Nuttin' wrong having a 9 to 5 long as your getting paid
Online your a millionaire real life your on minimum wage
I don't know who these guys are tryna impress today

I used to dream
One day I'll make a mill and feed the team
All my problems solved and I'll be clean
Then I realised this shit ain't how it seems
I prefer chasing the dream
Yeah, chasing dreams, I prefer chasing the dream
This shit just ain't how it seems
I prefer chasing the dream
I thought everything will be clean
Then I realised this shit ain't how it seems
I prefer chasing the dream

Yo, dis world is fabricated
Everything you see is exagerated
Dats why I like chilling on my own making sure that my common sense is activ ated
Go back to basics I believe in karma
I go back to basics I believe in fate
Nothing happens before its time so I go back to grind to activate the day
Yeah So I stay wid it yeah stay wid it g
No oppurtunite invading me
I see the devil try to influence my plans
But there's no persuading me
Yeah, come a long way from selling a kilo
Just know when I made my M I started from 0

I used to dream
One day I'll make a mill and feed the team
All my problems solved and I'll be clean
Then I realised this shit ain't how it seems
I prefer chasing the dream
Yeah, chasing dreams, I prefer chasing the dream
This shit just ain't how it seems
I prefer chasing the dream
I thought everything would be clean
Then I realised this shit ain't how it seems
I prefer chasing the dream yeah

You know like everyone kinda wishes to make a million man, I was the same, a nd when I finally made its its a good achievement but then I realised, none of this shit means nothing if you ain't got fmily if you ain't gor friends t

o make memories with. Don't go crazy tryna chase this million man, swear dow
n not much changes, just insecurity
You don't need a mil too enjoy your life, just live, yeah

I used to dream
One day I'll make a mill and feed the team
All my problems solved and I'll be clean
Then I realised this shit ain't how it seems
I prefer chasing the dream
Yeah, chasing dreams, I prefer chasing the dream
This shit just ain't how it seems
I prefer chasing the dream
I thought everything would be clean
Then I realised this shit ain't how it seems
