

# Police On My Back

Lethal Bizzle

Yo, I used to be a criminal, top car dealer  
Big competition but ma cars were realler  
But quite frank my car were professional  
Reload, Exceptional

Serial change, log book, keys  
All you need to worry about was the fees  
Well lets you, you can start from the back  
Depending on the car you could pay 20 G's

Look at these, brand new X5 with keys  
If you need, Mercedes Benz with TVs  
If you need Golf's, Astra's, TT's  
Anything you want, yeah, we can get these

Best sellers were Punto's  
Don't be laughing when I say Punto's  
Supplied the whole of wolthamstowe with Punto's  
They were cheap and they're cute and everyone could afford it

Well like, I 'ad to pack that all in cos of the music But like, one time I g  
ot chased by Helicopters  
Police, Police Dogs  
Like I got away though, but listen to what happened though, look

So I'm in ma Punto, yeah, and I see the the Boy there in my rear view  
I thinking shit what am I gunna do  
This car's slow, it's only a 1.2

So I jumped out, when I still moving  
Somewhere random in Chingford  
Back then I was a little Linford  
But not ugly as Linford

Anyway so I'm running, heart is pumping fast  
Bu-dum, bu-dum, bu-dum, bu-dum  
Getting tight, they're catching my arse  
Bu-dum, bu-dum, bu-dum

Then I saw back garden wall  
Swear, no lies, bout 20 foot tall  
Jumped over, thought all was cool  
That's when I heard the Helicopter

Ah, shit...

(Running, Police on my back)

So I remember sitting in this garden right  
An like the helicopters at the other side of the road  
So I'm thinkin like, if I don't make a move now I'm gunna get caught  
So I though nah y'know what, I gotta make a move

So I remember making the move like  
Trying to be quiet  
Jumpin over the fences  
Make sure I turn off ma phone

Then I saw this she'd  
So I started running towards this she'd  
Praying the door was open  
I got into this she'd and I remember thinking to myself

Aahhhh Shit

What have I done?  
Aaah Shit  
What have I doooone?  
Ah Shit  
What have I done?  
Ahhh  
What have I done?

(Running, Police on my back)

So like, 4 hours later it's like 7am in the morning  
Daylight, people going to work  
I just, walked home

Oh yeah, I missed a bit out!  
One of my mates were in the car  
You know what happened to him innit  
Hahaha

(What have I done? What have I doooone? What have I done? What have I done?)

(Running, Police on my back)
