

Buried Alive

Lethal

Feel the pain, face the fist
Merciless attack
Blood and rain, mind in mist
Sink into the black

Blistered skin, strapped in chains
Caught without escape
Evil grin, taunting pain
Death in different shape

Six, six, six feet beneath
Gasping for breath, buried alive
Most certain death, buried alive

Solo: Jonestöwn

Choke on blood, face the dead
Kiss your soul good-bye
Trapped in mud, panic spreads
Bound to f**king die

Six, six, six feet beneath
Gasping for breath, buried alive
Most certain death, buried alive
