

# Just Let Me Go

Lethal

Oh oh... oh oh... oh yeah-eah  
(Ain't got)  
No calling after ten (ten)  
No hustling my friends  
(No asking crystal we she been)  
(Ain't got)  
No show upon announce, know you ain't been around  
No calling no stalking no conversation and that's how it should be  
Caz if it's over (over)  
Then it's over you should let me go  
So (go) why you still in my dreams (go)  
You should leave me alone  
Got a hold in my mind you should let it go  
Wait a minute baby, I'm the only one holding on  
I wanna call you (hi)  
Wish you could fall through (come on)  
Knock on the door say you love me you miss me (I, I, I, I)  
And to admit that (I, I, I)  
Wish you can get back  
Thought I was cold but the truth is... I'm... I'm hung up on you

Caz every time the telephone rings I pick it up hoping it's your call (you're calling)  
Every time I turn on the radio that damn radio is playing our song  
Why can't I get over you (why can't I get over you?)  
Why can't I get over you?  
(I don't know what to do)  
If you gone then why won't you just let me go?  
Let me go (let me go)

I don't understand this wasn't in my plans  
(Should've been a clean cut break up, no regrets, no second thoughts) (Thoughts)  
I said I wanted out, (out) you said you wanted out  
(Said she wanna do her own thang so what I'm tripping bout?)  
Looking in the mirror, (mirror) I'm sure that I've had enough  
I'm sick (uh) of friends say go have (uh) your fun don't be in love (uh)  
When you got a broken heart having fun is tough (tough)  
And if that wasn't enough, still wanna call you

I wanna call you (hi)  
Wish you could fall through (hey, hey, hey) (come on)  
Knock on the door say you love me you miss me (you miss me) (I, I, I, I)
