Sinister Salvation

Lethal

Life full of sin, filth within
Chant in the ring, laugh and sing

Walk into the light
Pain is out of sight

Eyes shining clear, feel no fear
The end is near, blood red tear

We believe your lie
Lining up to die

KNEEL! down and PRAY!
SKIN! fades to GREY!
MARCH! through the GATE!
DEATH! seals your FATE!

Sleep with a smile, prepare to die
Join with the dead, flesh fades red

Hear the chant go on
Sinister salvation

KNEEL! down and PRAY!
SKIN! fades to GREY!
MARCH! through the GATE!
DEATH! seals your FATE!
