rest easily in the bed of another man's tired old queen
I cannot wait for love, but if it's coming as fast as he did we
ll, shit
that's two minutes well spent that she spent with him

so stay home
in bed alone

and all because of you now I can't stand it
in all that I do, all that I do, I see the scarlet branding
mother, you know I'm sorry, but sorry's pregnant with remorse
and when remorse is born remorse won't see an ounce of child su
pport

wait eagerly. because tonight I'm another man's brand new queen
why should I wait for love, if it comes as fast as he did?
he said, 'wait. she's with me. so send that other man walking w
ith his two left feet'
now I hate my love, and now the other man's floating in the dea
d man's sea
and he's floating face down because he's a dead man, see?

don't you cry, mama
we'll be ok
