One Time

LeToya

Baby I know you love me eventhough you got your own way that you show it
But baby you gotta trust me sometimes it ain't enough to know it
I need to feel it, I need to breath it, I need you to need it, like I need it
I want you to see it. like I see it oh I want your heart and not just a little bit right now I want you all

One time
I wanna feel the passion and pleasure and all that I dreamed of
One time
I'm tired of the guessing I just wanna know that I am loved
One time
I wanna feel special and needed
One time
I want you to say something but mean it
One time
It ain't whole alot to ask, can you do it one time do it one time

One time
Don't tell it to the brothers, bring it to your best friend, I'm not just your lover
One time
I wanna feel like I'm not harrassing, when I need a simple answer to the question that I'm asking, This ain't nagging
Cuz Baby your the best, as long as you here I'm blessed, ain't trying to cause you no stress
Just need a little R E S/ P E C T come on baby now you know me
So what you need to do is get up on your grind,keep me on your mind day and night

One time
I wanna feel the passion and pleasure and all that I dreamed of
One time
I'm tired of the guessing I just wanna know that I am loved
One time
I wanna feel special and needed
One time
I want you to say something but mean it
One time
It ain't whole alot to ask, can you do it one time do it one time

One time
Baby say it me, don't let me be afraid and don't let this love slip away
One time
Baby don't lie to me, don't say that you are going to do it when you really aren't going to do it
One time I wanted to, to do some things we never done, lets turn our backs on two and try to work as one
One time, one time, one time, one time, one time
One time, one time, one time, one time, one time

One time
I wanna feel the passion and pleasure and all that I dreamed of
One time
I'm tired of the guessing I just wanna know that I am loved
One time
I wanna feel special and needed

One time
I want you to say something but mean it
One time
It ain't whole alot to ask, can you do it one time do it one time

One time
I want you to say something but mean it
One time
It ain't whole alot to ask, can you do it one time do it one time
