

Show Me

LeToya

I wanna know what's on your mind
But baby I don't wanna talk
I see the fire in your eyes
So why you holding up the wall
And all my curiosity is starting to get the best of me
And I'm not worried about who's watching
Baby just put your hands on me

Whenever you move I'm with it baby I will follow
Come out on the floor I'm waiting on you to take it there
Oh-ooh-oh-I

Boy you got me, thinking about it
Boy you got to show me, show me
Time out, for talking about it
Boy you got to show me, show me
You got to show me

Show me, show me
(You gon' have to show me)
Show me, show me

If you lead I'll be up on it take your time we got the floor to ourself (all night)
