

FIRE IN UR EYES

Leven Kali

La La La La

Ahhhh

Yeahhh

La La La La

Ahhhh

Oh I can see a fire in your eyes

Baby burn, baby burn

Want somethin new in your life but you don't know why

Oh it gon take time to make it right

So right

We can do what you wanna we can skip drama

Lemme see something girl

Tell me where you wanna go

Tell me what you searching for

Tell me all the highs and lows

I wanna know

All this time my eyes been closed

But I found you on my own

Its out of our control

That's all I know

Oh

Won't you

Won't you say what you want

Baby come get it again

I wanna be your friend

Don't mean to be petty but

He don't know how you like it

So I'm gonna call you when I want and you gon' call it what it is

Cause he gon see me on your iPhone baby

He gon' know that this is real

Oh

Oh I can see a fire in your eyes

Baby burn, baby burn

Want somethin new in your life but you don't know why...
