

RICH GIRL

Leven Kali

Yeah Yeah Yeah Yeah Yeah
I got this girl named Candace
And she live off campus
She said you can stay with me
Her crib feelin like the hamptons
Now she's studying for her masters
But ain't got no classes in the morning
So she fuckin with a bachelor
She could have it and I'm like

Oh na na
I think I fell in love fell in love with a rich girl from the hills
Oh na na
I think I fell in love fell in love with a rich girl from the hills

I know this girl from the A
Now she's staying in LA
Got me sleeping through the morning
Always Got me always runnin late cause she look
So sexy in them lulu lemons every time she stretchin
I just wanna stretch it and she made me say
Oh na na
I think I fell in love fell in love with a rich girl from the hills
Oh na na
I think I fell in love fell in love with a rich girl from the hills
Oh na na
I think I fell in love fell in love with a rich girl from the hills
Oh na na
I think I fell in love fell in love with a rich girl from the hills

She probably got a real nice car
And her daddy got like 4/5 sittin on the driveway
Sittin on the 405 to the canyon
Now I'm feeling like its her way or the highway
I can't get a call to go through
But I still connect with you
Even tho you got your gate up
You know my mind is made up
Trips with your family
Golfin with your daddy
Smoking with the caddy
Hit the gas and I imagine like...
Oh na na
I think I fell in love fell in love with a rich girl from the hills
Like
Oh na na
I think I fell in love fell in love with a rich girl from the hills
Oh na na
I think I fell in love fell in love with a rich girl from the hills
Oh na na
I think I fell in love fell in love with a rich girl from the hills
Oh na na
I think I fell in love fell in love with a rich girl from the hills
Oh na na
I think I fell in love fell in love with a rich girl from the hills
