

# Sleepwalking

Leven Kali

Oh baby the feeling always comes right back  
I know you can hear me calling

I've been sleepwalking and daydreaming, daydreaming, daydreamin  
g

I've been sleepwalking and daydreaming, daydreaming, daydreamin  
g

Are you feeling what I'm feeling  
Are you seeing what I'm seeing right now  
There's some writing on the wall  
(There's some writing on the wall)  
And it's dancing like I'm dancing with you

I'm closing my eyes  
I opened my mind for you  
(I opened my mind for you)  
Burning inside  
(Burning inside)  
All this desire for you, baby

There's no one  
No one in the world can stop the fire  
There's no one  
No one in the world can stop the fire

I've been sleepwalking and daydreaming, daydreaming, daydreamin  
g

I've been sleepwalking and daydreaming, daydreaming, daydreamin  
g

I've been sleepwalking and daydreaming, daydreaming, daydreamin  
g...

(Oh baby the feeling always comes right back  
I know you can hear me calling)
