Smile

Leven Kali

Oh, oh, yeah, yeah, uh

I feel fine (I feel fine)
You should try (You should try)
Take some time (Take some time)
We'll be as fine (We'll be as fine)
You look so anxious but I know you wanna smile, baby

Mmm, mmm, mmm

Lead in slow (Slowly)
We can meditate right here in front of everybody, baby
You look so anxious but I know you wanna smile, baby
(You wanna smile, baby)

I can teach you how to smile, babe
I'm your plug, I'm your doctor, I'm your everything
I need you to smile, babe
If you follow my direction all the love is endless
Baby, just smile

Yeah, baby it's no secret no (No)
Everybody knows and we can't hide it, cause we stand out
Oh yeah
You look so anxious but I know you wanna smile, baby
Oh yeah

I'll teach you how to smile, baby
I'll be your pusher, and your doctor, I'm your everything
I need you to smile, baby, need you to smile, baby
Mmm
If you follow my directions all the love is endless
Baby, just smile, yeah
