

Aphōnos

Leviathan

All are both
All are oblivion
All are alive
All are extinction
Attempts so tragic
Origin of ritual
Upon your knees
Singing
But still on your knees
Fraudulent Thaumiel
Colorless polycephalic evolution
Hanged by your own
Tighten the sword
Veil of mad spirits
Tethered in roily belief
And I can smell your fear again
Paralyzed by doubt
Writhing
Ever within your own consciousness
Trapped in division
Barren
Tethered in roily belief
Upon your knees
Singing
But still on your knees
