

# A Thousand Miles

Lewis Capaldi

Making my way downtown walking fast  
Faces pass and I'm home bound  
Staring blankly ahead just making my way  
Making a way through the crowd

And I need you  
And I miss you  
And now I wonder

If I could fall into the sky  
Do you think time would pass me by?  
'Cause you know I'd walk a thousand miles  
If I could just see you tonight

It's always times like these when I think of you  
And I wonder if you ever think of me  
'Cause everything's so wrong and I don't belong  
Living in your precious memories

And I'll need you  
And I'll miss you  
And now I wonder

If I could fall into the sky  
Do you think time would pass me by?  
'Cause you know I'd walk a thousand miles  
If I could just see you tonight

And I, I don't want to let you know  
I, I drown in your memory  
I, I don't want to let this go  
I, I don't

Making my way downtown walking fast  
Faces pass and I'm home bound  
Staring blankly ahead just making my way  
Making a way through the crowd

And I still need you  
And I still miss you  
And now I wonder

If I could fall into the sky  
Do you think time would pass me by?  
'Cause you know I'd walk a thousand miles  
If I could just see you tonight
