

## Before You Go

Lewis Capaldi

I fell by the wayside like everyone else  
I hate you, I hate you, I hate you but I was just kidding myself  
Our every moment, I start to replace  
'Cause now that they're gone all I hear were the words that I needed  
to say

When you hurt under the surface  
Like troubled water running cold  
Well, time can heal but this won't

So, before you go  
Was there something I could've said to make your heart beat better?  
If only I'd have known you had a storm to weather  
So, before you go  
Was there something I could've said to make it all stop hurting?  
It kills me how your mind could make you feel so worthless  
So, before you go

Was never the right time whenever you called  
Went little by little by little until there was nothing at all  
Our every moment, I start to replay  
But all I can think about is seeing that look on your face

When you hurt under the surface  
Like troubled water running cold  
Well, time can heal but this won't

So, before you go  
Was there something I could've said to make your heart beat better?  
If only I'd have known you had a storm to weather  
So, before you go  
Was there something I could've said to make it all stop hurting?  
It kills me how your mind could make you feel so worthless  
So, before you go

Would we be better off by now  
If I'd have let my walls come down  
Maybe I guess we'll never know  
You know, you know

Before you go  
Was there something I could've said to make your heart beat better?  
If only I'd have known you had a storm to weather  
So, before you go  
Was there something I could've said to make it all stop hurting?  
It kills me how your mind could make you feel so worthless  
So, before you go
