

Out of focus, didn't take a second to notice  
Now we're separated by oceans, vast  
Couldn't make this last

I wish I'd have stayed  
'Cause love can find a way to make your feet run heavy  
Make your heart run steady  
Then it breaks, so I'm praying that you're feeling the same

You know I spent some time in Hollywood tryna find  
Something to get the thought of you and I off my mind  
So tell me honey, oh, when you're just a step away from falling apart  
Do you ever feel like going back to the start?

All the streetlights illuminate what home used to feel like  
And when I get to thinking, can't sleep at night  
No, I don't feel right

I wish I'd have stayed  
'Cause love can find a way to make your feet run heavy  
Make your heart run steady  
Then it breaks, so I'm praying that you're feeling the same

You know I spent some time in Hollywood tryna find  
Something to get the thought of you and I off my mind  
So tell me honey, oh, when you're just a step away from falling apart  
Do you ever feel like going back to the start?  
Oh, now you know I would if I could  
Maybe I spent more time in Hollywood than I should  
So tell me honey, oh, when you're just a step away from falling apart  
Do you ever feel like going back to the start?

If you can hear me, does it really have to end?  
I feel you close, although you're eight hours ahead  
If we can pick it up, then just tell me where and when  
We'll go back to the start again  
If you can hear me, does it really have to end?  
I feel you close, although you're eight hours ahead  
If we can pick it up, just tell me where and when  
We'll go back to the start again

You know I spent some time in Hollywood tryna find  
Something to get the thought of you and I off my mind  
So tell me honey, oh, when you're just a step away from falling apart  
Do you ever feel like going back?
