Lasting Lover

Lewis Capaldi

I don't know why I can't quite get you out my sight
You're always just behind, sprawled across my mind
Keep crawling back to where we last left our love on hold
I'm always up for more so what are we waiting for?

Wait, before you burn me to the ground
Please stay until the beat of my heart runs out

I don't wanna let go, let go
'Cause I've been tryna hold on for too long
I feel like I'm lost without a trace
Take my heart and run away
She said, "I'm not looking for a lasting lover
To save me, save me
From every single heartache, heartache"
I feel like I'm lost without a trace
Take my heart and run away
She said, "I'm not looking for a lasting lover"

One by one and two by twice
I've watched all my loves move on to something more
Opened all the doors

Caught in-between every passing hour
Please stay until the taste of your mouth turns sour

I don't wanna let go, let go
'Cause I've been tryna hold on for too long
I feel like I'm lost without a trace
Take my heart and run away
She said, "I'm not looking for a lasting lover
To save me, save me
From every single heartache, heartache"
I feel like I'm lost without a trace
Take my heart and run away
She said, "I'm not looking for a lasting..."

Just let me know, did we ever mean anything at all?
Oh, let me know, did we ever mean anything at all?
I feel like I'm lost without a trace
Take my heart and run away, she said
I feel like I'm lost without a trace
Take my heart and run away, she said

I don't wanna let go, let go
'Cause I've been tryna hold on for too long
I feel like I'm lost without a trace
Take my heart and run away
She said, "I'm not looking for a lasting lover
To save me, save me
From every single heartache, heartache"
I feel like I'm lost without a trace
Take my heart and run away
She said, "I'm not looking for a lasting lover"...
