

Made Up Love Song #43

Lewis Watson

I love you through sparks and shining dragons, I do.
And there's poetry in an empty Coke can.
And I love you through sparks and shining dragons, I do.
And there's majesty in a burnt out caravan.
You got me off the paper round,
Just sprang out of the air.
The best things come from nowhere.
I love you, I don't think you care.

I love you through sparks and shining dragons, I do.
And there's symmetry of your northern grin.
I love you through sparks and shining dragons, I do.
I can see myself in the refill litter bin.

You got me off the sofa,
Just sprang out of the air.
The best things come from nowhere
And I can't believe you care, care.

Yes, I'll believe you [til fade]
