

## raining in LA

Lewis Watson

It's been 17 days  
Since you started sleeping in his clothes  
That keeps me awake  
I thought I was fine but I guess I don't know  
I guess I don't know

I need to get out  
So I'm moving to Californ-i-a  
Much harder than it sounds  
'Cause it's still raining in LA  
It's still raining in LA

Even 5000 miles (even 5000 miles)  
11 hours on a plane  
But I still can't separate from you  
God knows I try (God knows I try)  
But I don't know what it'll take  
'Cause I still can't separate from you  
Separate from you

No, I'm not the first  
With a broken heart in Hollywood  
Halfway 'cross the earth  
I still can't get away, this can't be good  
Man, I guess we had it good

Even 5000 miles (even 5000 miles)  
11 hours on a plane  
But I still can't separate from you  
God knows I try (God knows I try)  
But I don't know what it'll take  
'Cause I still can't separate from you  
Separate from you
