

# Alone

Lexa Gates

Uh, uh, uh, uh, uh  
Alone  
Didn't know I had to be alone  
Alone, alone  
Didn't know I had to be alone

You pushed me so far, I'm on my own  
Oh, I'd love to blame you, but it's all me  
You pushed me so far, I'm on my own  
All alone  
Alone  
I'd love to blame you, but it's all me  
All me on my own  
All me on my own  
I'd love to blame you, but it's all me  
  
All me on my own  
Alone
