

# Fall Back

Lexa Gates

Yeah

Told me you was coming 'round here, said you're near, so  
Where'd you go? Where'd you go?  
Got me waiting by the door  
Are you coming anymore? Oh  
Baby, how could you ignore me when I adore you?  
Is that really not enough? (Not enough, oh)  
Now you saying that I'm lying  
Oh, so you calling out my bluff?  
Fuck, why is everything a joke to you?  
Man, I just wanted to, like, smoke with you  
Or have a drink or two, I don't know  
Honestly, I don't know who else to call  
So fall back tonight (Fall back)  
Let it be the way it used to be, so

I know you think I never gave a fuck  
And it might look that way  
Yeah, the way I walked away  
Shit, I was doing what I had to  
But what's up with you?  
I know you had a lot of work to do  
To finish school and stuff, so  
Hope that all went good  
I was passing by your hood  
Thinking 'bout when we was smoking cigarettes on the same block  
Baby, tell me when the love stopped  
Were you just using me for top? I don't really wanna know  
But hey, I really sucked that ho  
So maybe we could have a part two

Um, hello? Hello?  
Man, is you tryna fuck or nah?
