

# If I Die, I Die

Lexa Gates

If I die, I die  
Hope you feel bad  
Hope you feel something  
You don't got nothing  
You ain't got nothing to lose  
Just them dirty shoes  
Make some dirty moves  
You don't ever choose

Do the right thing, oh  
Wrong thing so inviting, huh?  
Wrong thing so inviting, huh?

If I die, I die  
Hope you feel bad  
Hope you feel something  
You don't got nothing  
You ain't got nothing to lose  
Just them dirty shoes  
Make some dirty moves  
You don't ever choose

Do the right thing, oh  
Wrong thing so inviting, huh?  
Wrong thing so inviting, huh?

Yeah, shit, if I die, I die  
If I die, I die  
Wrong thing so inviting, huh?  
Wrong thing so inviting, huh?

Head face down while you're rolling in a loop  
Do it for the rest, baby, do it for your troop  
Say it with your chest if you're sure that that's the truth  
Since you let it slip, you've been wishing you'd regroup  
First it was a pool, now you're boiling in a soup  
Do it 'cause it's cool, do it 'cause it's cool  
Do it 'cause your dad do it, do it 'cause it's cool  
Do it 'cause your friends do it, do it 'cause it's cool  
Do it like your mom taught you, shit, that's all you knew  
Do it like you felt like you should do it so you do  
Do it like you felt like you should do it out the blue  
Do it 'cause that's all you ever motherfucking do  
Do it 'cause who else is gonna do it like you  
Do it 'cause it's cool, do it 'cause it's cool  
Do it 'cause it's cool, do it 'cause it's cool  
Do it 'cause it's cool  
Shit, if you die, you die  
'Cause who the fuck am I  
To be telling you what you should do like you should try?  
Well, while you sitting in a room waiting for paint to dry  
If you don't get up now, your whole life might just pass you by  
Plus, you don't got nothing to lose, man, if you die, you die  
If I die, I die  
If you die, you die  
If I die, I die  
If I die, I die, yeah

If I die, I die  
Hope you feel bad  
Hope you feel something  
You don't got nothing  
You ain't got nothing to lose  
Just them dirty shoes  
Make some dirty moves  
You don't ever choose

Do the right thing, oh  
Wrong thing so inviting, huh?  
Wrong thing so inviting, huh?
