

# It's Always Something

Lexa Gates

It's always something  
It's always something  
It's always something (Ah-ah-ah-ah-ah-ah)  
It's always something (La-la-la-la-la)

If I hurt you, I'm sorry (Yeah, woah, woah)  
Still tryna figure it out myself, oh, you understand (Yeah, yeah)  
Clocks keep ticking and the days go missing, ah  
I'll kill whoever you're kissing now

Yeah, we're cool, don't call (No)  
I don't miss you at all, I don't miss it at all  
I don't miss you at all (I don't miss it at)  
I don't miss you at all

Yeah, we cool, don't call (No, no)  
I don't miss you at all
