I don't know how to go about it (I, I, I)  
But damn, you look good

Let you know  
Before you go  
I want you (I want you)

Making a scene when you walk in  
I bet that shit is exhausting  
(Why you) Playing with me, how you flaunt it (Ooh)  
Making me drip like a faucet  
Oh, do it, babe, shoot a shot  
Sorry, I don't do this a lot  
I think I'm feeling you (Feeling you, oh)  
Baby, I'm feeling you (Ooh, ooh)

I want you (You)  
I don't know how to go about it (I, I, I)  
But damn, you look good  
Shawty, I should (I should)  
Let you know  
Before you go  
I want you

Pretty little thing, wanna see you in a G-string  
You so fly, give it to me like a bee sting  
I won't lie, when I get it, bae, I'm feasting, yum (Yummy)  
'Cause you got it like that (Ahh)  
Outsmart me, baby, make me feel wack  
Pass that, uh, I'ma hand it right back  
(In a) White t-shirt, skin-tight, bra black (Ooh)  
Catch this work for a little, don't slack

'Cause I want you (You)  
I don't know how to go about it (But)  
But damn, you look good (Mmm)  
Shawty, I should (I should)  
Let you know  
Before you go  
I want you
