

# Nowhere

Lexa Gates

Yeah, yeah, yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah

Waiting  
But I know, but I know  
But I know my time will come (Come)  
Just a little longer  
I thought I was stronger (I thought, I thought)  
Well maybe I will be (I thought, I thought)  
Give it time  
Give it time (Time, time)  
Give it time (Time)

Looking through my window  
Watching how the wind blow  
I am everywhere  
And I am nowhere yet  
Looking through my window  
Watching how the wind blow  
I am everywhere  
And I am nowhere yet

I want to have control  
I wish to know what I don't know  
They're tryna buy my soul  
They're saying, "Come," but I won't go, no  
We in the corner store  
I'm finna buy everything in this bitch  
I'll make the ock and his family rich  
In the cut like a surgical stitch  
Down to the earth, but I ain't sucking dick  
Just on a high so fly I'm dying  
No use in lying  
No use in lying  
Bitch getting dirty off a pill  
I'm just tryna chill  
Young rich shorty, keep it real  
B-but please don't fuck then go tell  
Got a voicemail  
He crying over pussy, what the hell  
You could come ring my bell  
Tell me if it smell  
Pockets getting thicker than Adele  
While y'all move slower than a snail  
Hold that L, 'cause  
I'ma go and get it, Odell

Waiting  
But I know, but I know  
But I know my time will come (Come)  
Just a little longer  
I thought I was stronger  
Well maybe I will be  
Give it time  
Give it time (Time, time)

Give it time

Looking through my window  
Watching how the wind blow  
I am everywhere  
And I am nowhere yet

Looking through my window (Looking through my window)  
Watching how the wind blow (Watching how the wind blow)  
I am everywhere  
And I am nowhere yet
