

## Serious

Lexa Gates

Are you serious? No text back?  
I'm finna pull up to your crib and kill your cats  
I got a gat right now, I'm on my way, open up  
Yes, I'm serious, I need sex fast  
Yeah, I really will come through if you don't kill my cat  
I got a gat loaded, on my way, open up

You're a pussy if you won't face me  
I've been tweaking out and going crazy  
And I know you know that you made me like- like this- this on-  
on pur- purpose, 'pose

Tell me what you want me to be  
Oh, baby I need you to know that I'm yours forever  
Tell me what you want me to be  
Oh, baby I need you to know that I'm yours forever

I'm not doing nothing wrong, I'm just being myself  
Can't do anything else, and it's driving me insane  
Insane  
I'm not doing nothing wrong, I'm just being myself  
Can't do anything else, and it's driving me insane  
I'm insane, I'm insane  
Insane  
I'm insane, I'm insane  
I'm insane, insane

So sleepy, barely even awake  
Talk to you tomorrow  
Definitely not today  
So sleepy, barely even awake  
Talk to you tomorrow  
Definitely not today  
(So sleepy, barely even awake)  
(Talk to you tomorrow)  
(Definitely not today)
