CONNIE, are you fucking kidding me?  
Hot boy

I can't sit in this room no more, this shit is driving me crazy  
Bet my neighbors think that I'm lazy, but I swear I'm getting this paper  
And I ate myself a little paper  
Yes, I said I'd quit, I meant later  
Bitch, I'm on my what like a skater  
Didn't even brush my teeth today  
What they gon' say when they know I get-  
What they gon' say when they know I get money?  
They mostly act funny while looking dumb  
Why don't you come here and get you some?  
Bitch, I'm a demon, I'm Lucifer  
They all like, "What can I do for her?"  
When I walk in, I pull up with the suits  
I'mma get deep in your tissue, masseuse  
Watch how you're speaking, I'm speaking the-

Take five, ten too  
You're used to doing what the higher ups let you  
Sometimes I really wish I never met you  
I'm acting stupid, that's what normal girls do  
I couldn't let myself be-  
Take five, ten too  
You're used to doing what the higher ups let you  
Sometimes I really wish I never met you  
I'm acting stupid, that's what normal girls do

Everybody mad 'bout what I'm doing, you could really come and hit me with a pen right now  
Anybody tryna get into it, you could really come and put it to an end right now  
I swear I was tryna do it better, but I felt a little pressure from a peer like "Bow"  
Feeling real good right now, who knows how I'll be in a while  
When I do a room, I do it tile by tile  
Tell you what I know 'cause you're like my child  
And I don't want you getting wild, especially with all the danger  
If I was pregnant, I would hit it with a hanger  
That's just me, girl, control your anger  
I ain't saying that I wouldn't think about it later  
'Cause I'll think about it later  
So much gas, they call me Ms. Pac  
When the cash come, give me that, give me that  
I was broke, but I made it back  
All these bummies tryna get into my ass crack  
Um, no, you cannot hop on my track  
Tryna get a free pass, I ain't into that  
I was at the Freaknik where the freaks at  
I don't even really know what that means  
I was in the gallery in my acnes  
If it's really smoke, you could, uh, at me  
They be talking smack, but it's never at me  
When he eat the cat, I'mma tell him, "Así, así"  
Yeah, así

If he wanna do it, gotta run it by me  
Yeah, by me  
I'm the boss, I'm the boss

Take five, ten too  
You're used to doing what the higher ups let you  
Sometimes I really wish I never met you  
I'm acting stupid, that's what normal girls do  
How could I let myself be-
