Lexie Liu

Boy tryna hit me up every time I cool my mind
Now I'ma pick up for the last time
Worked in my good denial, don't tell nobody
Boy tryna gimme love every time I fall in line
In time I wake up, one thing to confess
I ain't no player, don't tell nobody

Is that how we like it? (Yeah)
Come ride with me, follow or lead
No stop, cross that border
Ain't no time wasted
Ain't no time wasted
Is that how we like it? (Ooh)
Come ride with me, no go dolo
No stop, cross that border, hm-hm

And baby we gon' ride it like
GTRRR, GTRRR, ride it
Aye, we gon' ride it like
GTRRR, GTRRR, ride it
Aye, we gon' ride it like
GTRRR, GTRRR, ride it
Aye, we gon' ride it like
GTRRR, GTRRR, ride it on

Aye, where you at tho?
City on my back, got me ballin' like a free throw
Oh yeah, ah
And I'm always on, no on and off
Omni-love, we can taste some
Channel me, frequency, we become one
Le-let it get done, we can get stunned
Come receive energy, infinite sun (Aye)

Is that how we like it? (Yeah)
Come ride with me, follow or lead
No stop, cross that border
Ain't no time wasted
Ain't no time wasted
Is that how we like it? (Ooh)
Come ride with me, no go dolo
No stop, cross that border, hm-hm

And baby, we gon' ride it like
GTRRR, GTRRR, ride it
Aye, we gon' ride it like
GTRRR, GTRRR, ride it (Hey-yeah, hey-yeah)
Aye, we gon' ride it like
GTRRR, GTRRR, ride it
Aye, we gon' ride it like
GTRRR, GTRRR, ride it on (Hey-yeah, hey-yeah)
