

C'mon You Know

Liam Gallagher

C'mon
You know it's gonna be alright
And we're gonna dance all night
C'mon you know
Get up
Stand up if you feel alive
I only wanna see you smile
C'mon you know

Beautiful people, come out to play
Brothers and sisters, it's time
So let's start living, be thankful and giving
We're only here for a short while

I think it's coming home again

Show love
I'm sick of acting like I'm tough
C'mon baby, giz a hug
C'mon you know
Freedom
I can feel it everywhere
So get your hands up in the air
C'mon you know

Beautiful people, come out to play
Brothers and sisters, it's time
So let's start living, be thankful and giving
We're only here for a short while

I think it's coming home again
I think it's coming home again
I think it's coming home again
I think it's coming home again

Beautiful people, come out to play
Brothers and sisters, it's time
So let's start living, be thankful and giving
We're only here for a short while

I think it's coming home again

(Yes
Yes
Yeah, yeah
Yeah, yeah
Yeah, yeah
Yeah, yeah)

I think it's coming home again
(Yeah, yeah)
I think it's coming home again
(Yeah, yeah)
I think it's coming home again
