

# Gone

Liam Gallagher

Well the changing of the guard is oh so real  
But before I go I wanna tell you how I feel  
I gave you the chance to build a life worth living  
But you cut off the love like a vine that can never grow back

Oh I used to go away  
And come back, back another day  
But now I don't know how long

I'm gonna be gone  
Yeah, yeah  
But I'm gonna be gone  
Yeah, yeah

I held on like a dog for life and limb  
And our burning house cast shapes upon the scrim  
I gave you the chance to build a life worth building  
But you smashed all the plants up and now they can never grow back

You had fun stringing me along  
But oh no, player, you were wrong  
But now I don't know how long

I'm gonna be gone  
Yeah, yeah  
But I'm gonna be gone  
Yeah, yeah

Now woman  
I wanna tell you something  
I ain't never seen the likes of you before  
So I was willing to stand still while you pushed me  
But you finally pushed me out the door  
So I wanna hear you say it (Say it, yeah)  
And I wanna hear you beg me (Beg me, yeah)

Oh I used to go away  
And come back, back another day  
But now I don't know how long

I'm gonna be gone  
Yeah, yeah  
But I'm gonna be gone  
Yeah, yeah  
But I'm gonna be gone  
Yeah, yeah  
But I'm gonna be gone  
Yeah, yeah
