Just Another Rainbow

Liam Gallagher

I, I might have known
This would be
Just another rainbow

I, I walk the Earth
I search the sky
Just another rainbow

No pot of gold
Waiting here for me

Just another rainbow
Hanging over me
Just another rainbow
Dripping on my tree

I'm out of control
Half of the hole
Just another rainbow

Paying the bills
Am I your windmill?

Just another rainbow
Hanging over me
Just another rainbow
Dripping on my tree

Red and orange, yellow and green
Blue, indigo, violet

We've crossed a line

Just another rainbow
Hanging over me
Just another rainbow
Dripping on my tree
