

More Power

Liam Gallagher

The cut, it never really heals
Just enough to stop the bleed
And you won't get the girl you want
But you'll get the girl you need

Mother, Mother
I'll admit that I was angry for too long
How I wish I had more power
Oh, yeah
How I wish I had more power

People talking like they're gods
But that's just not the deal
If you want to keep the things you love
Then you'd better learn to kneel

Father, Father
I can see so many things now that you're gone
How I wish I had more power
Oh, yeah
How I wish I had more power

How I wish I had more power
How I wish I had more power
How I wish I had more power
You're never alone
How I wish I had more power

The cut, it never really heals
Just enough to stop the bleed
And you won't get the girl you want
But you'll get the girl you need

Mother, Mother
I'll admit that I was angry for too long
How I wish I had more power
Oh, yeah
How I wish I had more power

This is what you came for
Is this what you came for?
This is what you came for
Is this what you came for? Yeah
