

# One Day At A Time

Liam Gallagher

Flat on my back  
And wide to the sky  
Everybody needs someone to love  
A little romance  
The clouds sail by  
You'll regret some decisions 'til the day you die

Lord, have mercy  
It's gonna be alright  
Lay down and dream with me  
It's gonna be alright  
Can you hear the music?  
Can you hear the rhyme?  
Just take it one day at a time  
Just take it one day at a time

Welcome back  
To the land of the living  
We got so many people to be  
I know you're happy  
In your suburban trance  
You should've fucked me when you had the chance

Lord, have mercy  
It's gonna be alright  
Lay down and dream with me  
It's gonna be alright  
Can you hear you the music?  
Can you hear the rhyme?

Lord, have mercy  
It's gonna be alright  
Lay down and dream with me  
It's gonna be alright  
Can you hear you the music?  
Can you hear the rhyme?  
Just take it one day at a time  
Just take it one day at a time
