

Stand By Me

Liam Gallagher

Made a meal and threw it up on Sunday
I've got a lot of things to learn
Said I would and I'll be leaving one day
Before my heart starts to burn

So what's the matter with you?
Sing me something new
Don't you know the cold and wind and rain don't know
They only seem to come and go away

Times are hard when things have got no meaning
I've found a key upon the floor
Maybe you and I will not believe in
The things we find behind the door

So what's the matter with you?
Sing me something new
Don't you know the cold and wind and rain don't know
They only seem to come and go away

Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows
Yeah, nobody knows, the way it's gonna be

If you're leaving will you take me with you?
I'm tired of talking on my phone
There is one thing I can never give you
My heart will never be your home

So what's the matter with you?
Sing me something new
Don't you know the cold and wind and rain don't know
They only seem to come and go away

Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows
(Nobody knows)
Yeah, nobody knows (nobody knows), the way it's gonna be

The way it's gonna be, yeah
Maybe I can see, yeah
The way it's gonna be
