

# When I'm in Need

Liam Gallagher

Look for the girl  
This world is surreal  
She's not alone in her mind  
When I'm with her  
I feel I can fly  
Lost in her words and her smile

Oh, and when I'm in need  
She's right by my side  
Oh, I'm down on my knees  
She's working the over time

She's so purple haze  
You know what I mean  
I'm counting the days 'til she's mine  
When I'm with her  
I feel I'm alive  
I'm lost in her world and her smile

Oh, and when I'm in need  
She's right by my side  
Oh, I'm down on my knees  
She's working the over time

Come and hold me  
I want to show me  
Gonna slowly  
Blow your mind

Come and hold me  
I want to show me  
Gonna slowly  
Blow your mind

Come and hold me  
I want to show me  
Gonna slowly  
Blow your mind

She...  
She...
