

# Cry Me A River

Liam Payne

Now you say you're lonely  
You cried the whole night through  
Well, you can cry me a river, cry me a river  
I cried a river over you

Well you can cry me a river  
Cry me a river,  
I cried a river over you.

Now you say you're sorry,  
For being so untrue

Well you can cry me a river  
Cry me a river,  
I cried a river over you.

You drove me nearly out of my head  
While you never shed a tear, babe  
Remember, I remember all that you said  
You told me love was too plebeian  
Told me you were through with me  
And now you say you love  
Well just to prove that you do  
Why don't you cry me a river  
Cry me a river  
(Cry me a river)

Oh cry  
(Cry me a river)  
Cry me a river  
(Cry me a river)  
Oh, I cried a river over you

You say you love me but you lied

Now, you say you love me  
well just to prove that you  
Come on and cry me a river  
Oh cry me a river  
I cried a river over you

I cried a river,  
Over you  
(I cried a river over you)

I cried a river  
Now you can too  
cry me a river  
Cry me... a river.
