

Mr Your On Fire Mr

Liars

Do the twist before I scream
C'mon dance, misdirection
You can't teach new tricks to blue jeans
But its suede to drop dead

We have a chance to get violent
Shiny teeth for perfection
The most bright, unassuming
Love the smell of your breath
Breath

Sci-Fi
Half-Time

Mr. you're on fire Mr
(No sir I'm okay)
Mr. you're on fire Mr
(No sir I'm okay)
AH! Mr. you're on fire Mr
(No sir I'm okay)
Mr. you're on fire Mr
(No sir I'm okay)

By the seaside, left the seashore
Thats where I got lost
Uh, seaside left the seashore
Thats where I got lost

We have a chance to get violent
Shiny teeth for perfection
The most bright, unassuming
Love the smell of your breath
Breath (Breath)

Sci-Fi
Half-Time

Mr. you're on fire Mr
(No sir I'm okay)
Mr. you're on fire Mr
(No sir I'm okay)
