

No Barrier Fun

Liars

Underground I've heard the footsteps of a girl
Those sounds were close to paradise
I tied up my ears and I borrowed some shades
Take a trip upstairs for the footstep girl

I want to make it up
I want to make my skin adapt to the sun
No barrier fun

Underground I've heard the footsteps of a girl
Those sounds were close to paradise
I tied up my ears and borrowed some shades
Take a trip upstairs for the footstep girl

I want to make it up
I want to make my skin adapt to sun
No barrier fun
