

Everything I Wanted

Libianca

I had a dream
I got everything I wanted
Not what you'd think
And if I'm bein' honest
It might've been a nightmare
To anyone who might care
Thought I could fly
So I stepped off the Golden
Nobody cried
Nobody even noticed
When I wake up, I see
You with me

I had a dream
I got everything I wanted
When I wake up, I see
You with me

As long as I'm here, no one can hurt you
Don't wanna lie here, but you can learn to
If I could change the way you see yourself
You wouldn't wonder why you hear 'They don't deserve you'

I tried to scream
But my head was underwater
They called me weak
Like I'm not just somebody's daughter
Coulda been a nightmare
And it felt like they were right there
And it feels like yesterday was a year ago
I don't wanna let anybody know
'Cause everybody wants something from me now

I had a dream
I got everything I wanted
When I wake up, I see
You with me

As long as I'm here, no one can hurt you
Don't wanna lie here, but you can learn to
If I could change the way you see yourself
You wouldn't wonder why you hear 'They don't deserve you'

If I knew it all then, would I do it again?
Would I do it again?
If they knew what they said would go straight to my head
What would they say instead?
If I knew it all then, would I do it again?
Do it again
If they knew what they said would go straight to my head
What would they say instead?
