

# WOMAN

Libianca

Woman

Let me be your woman  
Woman, woman, woman (ayy)  
I can be your woman  
Woman, woman, woman (ayy)  
Let me be your woman  
Woman, woman, woman (ayy)  
I can be your woman

What do you need?

She give tenfold, come here, papa, plant your seed  
And she can grow it from her womb, a family  
Provide lovin' overlooked and unappreciated, you see (yeah)  
You can reciprocate  
I got delicious taste  
You need a woman's touch in your place  
Protect her and keep her safe  
Worship my hips and waist  
So feminine with grace  
I touch your soul when you hear me say

Let me be your woman  
Let me be your woman  
Woman, woman, woman (ayy)  
I can be your woman  
Woman, woman, woman (ayy)  
Let me be your woman  
Woman, woman, woman  
Woman, woman, woman

I can be your lady, I'm a woman  
Motherfucker but they got a problem  
Put some babies in your life and take away the drama  
Picture this like a diorama  
People that are opposite  
'Cause the world told me, "We ain't got that common sense"  
Gotta prove it to myself that I'm on top of shit  
And you will never know a God without a Goddess  
As honest as fuckin' honest get  
And I could be on everything  
I mean I could be the leader, head of all the states  
I could smile and jiggle it 'til his pockets empty  
I could be the CEO, just look at Robyn Fenty  
Ay, you're on my team, girl  
Don't ever think you ain't hella these niggas dream girl  
They wanna put us against each other like we succeedin' for no reasons  
They wanna see us end up like Regina on Mean Girls

Princess or queen, tomboy or king (yeah)  
You've heard a lot, you've never seen (nah)  
Mother Earth, Mother Mary rise  
Divine feminine, I'm feminine

Woman

Let me be your woman  
Woman, woman, woman  
I can be your woman

Woman, woman, woman  
Let me be your woman  
Woman, woman, woman  
Woman  
Woman  
Woman, woman, woman  
Yeah, yeah, yeah, yeah, yeah, woman  
Oh, my woman  
My woman
