

AKSEL'S INTERLUDE

Lido

I can't let you give it to someone else
I'd rather be dead than sleeping by myself

I need to let go

I need to let go, but I ain't strong enough to say it
Baby, don't ever look another way
Cause I don't even know just what I'll do
If I can't come running back to you

Oh, I don't even know

I ask why I hold on, ask why I hold on
Hold on, hold on
Ask why I hold on, ask why I hold on, ask why I hold on
Hold on, hold on
Girl, I don't even know

I ask why I hold on, ask why I hold on
Hold on, hold on
Ask why I hold on, ask why I hold on, ask why I hold on
Hold on, hold on
Girl, I don't even know
